

The Watchmaker

This photo of the original shop front was taken as early as 1901. The corner of 43 Halkett Place was once owned by the Edgar Brothers, who operated a well- established jewelers & watchmakers, from 1871.

Inspired by the hanging lights & previous craft, with the original windows still in place, the heritage continues through,

The Watchmaker.

The versus series is where we pitch two different wines against each other. We have chosen the wines based on characteristics like terroir, grape, country, region or style.
